About Us

With urbanisation comes congestion, vehicular, industrial and noise pollution. Add to that a hectic lifestyle driven by competition and you are likely to belong to the coterie of millions afflicted by the bane modern society : stress, and with it, a package of ailments ranging from mild to serious. The need of the hour therefore is to UNWIND. And what better way to do so than in the comfort of your own home.

Apple Thermo established a decade ago as a joint venture between Satra and Shah family, specialised in manufacturing & designing bathroom products to suit Indian conditions & habits. It was committed to bringing beautiful bathing experiences which relax both your mind and body.

Based in Mumbai, Apple has carved a niche for itself as one of India's most promising and dynamic companies for bathroom luxury products such as Acrylic Bathtub, Steam multi-functions, Shower panels, Pressure booster pumps, Steam & Sauna bath systems, Whirlpool Bath systems, Customized swimming pools & Health clubs.

Hard work and foresight complement extensive product development backed by modern production facilities. Together they fuelled our passion to grow and lead, thus bringing us success and recognition in Indian markets.
